Newport Golf Tournament 2017

It was a spectacular day at Newport Country Club for The Irish American Partnership's annual Golf Tournament. Participants enjoyed the cool breeze and a challenging round of golf with colleagues, family, and friends.

Many thanks to Tournament Co-Chairmen Aidan Browne, Patrick Sarkis, Brendon Giblin, and Kevin Leary. The event's success is a direct result of their efforts.

Congratulations to the winning low net team of Ed Howe, Mike Norris, Jeff Arsenault, and Jim Tormey from National Cooperative Bank.

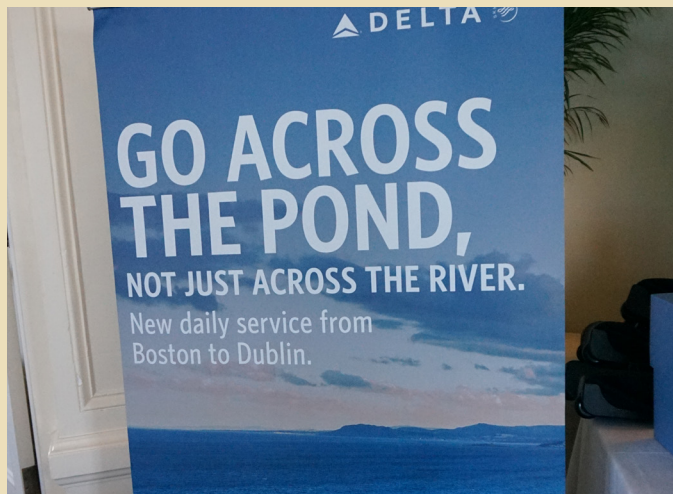

The proceeds of the tournament will benefit 5 rural primary schools across Ireland, North and South.

During the dinner reception, Irish American Partnership CEO Mary Sugrue announced an exciting new partnership with Delta Air Lines. The Partnership and Delta celebrated Delta's new Boston to Dublin route by awarding Holy Spirit Girls National School in Ballymun, Dublin with a \$5,000 grant.

The Newport Golf Tournament is the longest continuously running Irish American golf tournament in North America. We look forward to honoring this legacy next year at our 28th Newport tournament!
