LEITRIM GAA MIGHT BE SMALL IN NUMBERS, BUT WE ARE BIG ON AMBITION.

Wherever our people have gone they have made a big impact. They have pursued excellence. We want to secure the same opportunity for all future generations who represent our county. We believe Leitrim's GAA new Centre of Excellence will help achieve this.

The completion of this ambitious facility is long overdue. Since development started in 2007 €2.9m has been invested. A further €300,000 is required to complete it to a level of excellence that will place it on a par with any other county facility in Ireland.

We also want this facility to be a beacon for the Leitrim community at home and abroad. That is why our fundraising drive – the Leitrim Wall – offers everyone the opportunity to contribute to Leitrim's future in a meaningful and tangible way.

We thank you sincerely for your continued support.

THE LEITRIM WALL

'No matter where you roam, leave your heart at home'

The Leitrim Wall will be the first of its kind in a GAA facility in Ireland.

It will be the main feature inside the entrance of the new centre and visible as you pass on the N4 Carrick-on-Shannon to Dublin road: a beacon for those who were forced 'to travel far from this great land', as Larry Cunningham famously sang in 'Lovely Leitrim'.

It offers Leitrim supporters everywhere the opportunity to contribute to the building of a state-of-the-art facility for their county while recording a personalised message on one of the wall's bricks.

Let the world know who you are, where you come from, or from what stock you were reared! Honour a loved one or simply declare your love for your club or county – the choice is yours.

Four options have been prepared so everyone can afford to help build Leitrim GAA's future brick by brick.

1. **The Leitrim Brick** \$250
2. **Leitrim Logo Brick** \$500
3. **The Leitrim Stone** \$1,000
4. **Leitrim Stone of Excellence** \$3,000

1. 8.5" x 5.5"

2. 8.5" x 8.5"

3. 12" x 12"

4. 24" x 24"

EXCELLENCE IN LEITRIM GAA COACHING

While the completed Centre will provide the players, who use it with a venue capable of inspiring excellence, a culture and practice of excellence must first be honed through Leitrim's coaching structures. A new coaching and skills development plan, supported by the employment of three Games Development Officers, aims to build the capacity of Leitrim's club coaches so this work starts at grassroots level from nursery level upwards. The plan also seeks to develop the county's school structures, and Development Squads to ensure every GAA player in Leitrim is afforded the necessary support to achieve their fullest potential.
